

Liwayway Scholarship for Leadership Excellence

ANAK, Aksyon Ng Ating Kabataan (Filipino Youth in Action) is a local community based organization (CBO) comprised of concerned young Filipino professionals. The word “anak” itself is Tagalog for “my child” or “son / daughter.” We are the sons and daughters of Winnipeg’s early wave of Filipino immigrants (as well as immigrants ourselves). We envision a future where all Filipino-Canadians have the opportunity to share, learn, preserve and promote our culture and heritage through education.

ANAK is pleased to present its first annual “*Liwayway* Scholarship for Leadership Excellence” to Filipino-Canadian students in Grade 12, who demonstrate a commitment to preserving and promoting Philippine heritage. **Six (6) scholarships will be awarded in June 2007 to attend the University of Winnipeg Philippine Studies Summer Institute from July 9 to 13, 2007.** Award recipients are eligible to receive 1.5 transferable University Credit Hours, but do not have to be currently enrolled at any post-secondary institution. To be eligible for this scholarship, the applicant must:

- Provide official school transcripts demonstrating a B (70%) grade point average or better in three 40S Courses (including English);
- Complete a 500 word (2 pages doubled-spaced) typed essay entitled “What it means to be Filipino-Canadian.”
- Successful applicants are subject to an interview process in April 2007.

***Liwayway* Scholarship Application Form (Deadline: March 29, 2007)**

Full Name: _____

Address: _____
